

To register, go to [www.TowerPACS.com](http://www.TowerPACS.com), click on "CareSelect Registration," and follow the instructions. Once registered, access CareSelect™ by going to [www.TowerPACS.com](http://www.TowerPACS.com) and click on "CareSelect Login".

**STEP 1**

### Once logged into CareSelect, enter ordering provider NPI number

The screenshot shows the 'Ordering Provider' form in CareSelect. At the top, it says 'Ordering Provider: Test' with a 'Close' button. Below this, there is a section titled 'Designate a provider to associate this consultation with:'. There are two main options: 'Choose from previously used providers' with a radio button and 'Test' listed below it, and 'Or, lookup provider by 10 digit NPI'. The second option includes a text input field for 'Type in provider's 10 digit NPI\*', a 'Lookup NPI at registry' button, and a checkbox for 'I do not know the NPI'. At the bottom right, there are 'Cancel' and 'Update' buttons.

**STEP 2**

### Enter patient age and gender

The screenshot shows the 'Patient Demographics' section of the CareSelect form. It includes a dropdown menu for 'Patient Age\*' and three buttons for 'Patient Sex\*': 'Male', 'Female', and 'Unknown'. The 'Ordering Provider' section above shows 'Test' with a 'Change Ordering Provider' link.

**STEP 3**

### Search and select exam provider wishes to order

The screenshot shows the 'Service Information' section of the CareSelect form. At the top, it says 'Ordering Provider: Test' with a 'Change Ordering Provider' link. Below this, there is a text input field containing '65 year old Male' and an 'Edit' button. Underneath is a search bar with 'CT Abdomen' entered and a 'Skip Service' button. A 'Services Search Results' section follows, listing various CT scan options with radio buttons, such as 'CT ABDOMEN W CONTRAST', 'CT ABDOMEN W WO CONTRAST', and 'CT CHEST-ABDOMEN W CONTRAST'.

**STEP 4**

## Search and select indication
